PATENT COOPERATION TREATY

PCT

INTERNATIONALSEARCHREPORT

(PCT Article 18 and Rules 43 and 44)

Applicant's or agent's file reference 10003824W001	FORFURTHER ACTION as well	see Form PCT/ISA/220 l as, where applicable, item 5 below.
International application No. PCT/JP 2004 / 017331	International filing date (day/month/year) 16.11.2004	(Earliest) Priority Date (day/month/year)
Applicant CANON KABUSHIKI K	AISHA	
This international search report has been to Article 18. A copy is being transmitt	prepared by this International Searching Authoriced to the International Bureau.	ity and is transmitted to the applicant accordi
This international search report consists	•	
	a copy of each prior art document cited in this r	eport.
1. Basis of the report		
language in which it was filed, ur	ne international search was carried out on the nless otherwise indicated under this item.	basis of the international application in t
the international sear	ch was carried out on the basis of a translation	of the international application furnished to
this Authority (Rule	23.1(b)).	
b. With regard to any nucleot	ide and/or amino acid sequence disclosed in t	the international application, see Box No. I
	d unsearchable (See Box II).	
3. Unity of invention is lack	ing (See Box III).	
4. With regard to the title,		
the text has been established	d by this Authority to read as follows:	
List text has been established	of this Authority to read as follows:	
. With regard to the abstract,		
the text is approved as subm	nitted by the applicant	• • • • • • • • • • • • • • • • • • • •
	, according to Rule 38.2(b), by this Authority a	is it appears in Doy No Di The "
may, within one month from	the date of mailing of this international search	is report, submit comments to this Authorit
5. With regard to the drawings,		, ,
••	oblished with the character of the	
	ublished with the abstract is Figure No	
as suggested by the ap	-	
as selected by this Aut	thority, because the applicant failed to suggest	a figure.
	thority, because this figure better characterizes	s the invention.
b. none of the figures is to be pr	ublished with the abstract.	

Form PCT/ISA/210 (first sheet) (January 2004)
